COMMITTEE ON HOUSE ADMINISTRATION
SUITE H-326, U.S. CAPITOL
Washington, D.C. 20515

September 15, 1977

The Committee on House Administration is pleased to present the first comprehensive telephone directory of Members, employees, and support offices of the House of Representatives. This book was compiled with the assistance of the Clerk of the House, the Architect of the Capitol, Joint Committee on Printing, and the House Information Systems and will be updated and published on a quarterly basis.

The directory has been designed to serve as a ready reference and personnel locator for all who conduct business with the House of Representatives. Please note that Federal agencies have converted to a Centrex system, resulting in a new Government Dial System which is located in the back of the directory.

In a directory of this size there are bound to be some errors and omissions. Consequently, there is also a correction form included at the back of the directory.

The Committee hopes that this directory will increase office efficiency and provide invaluable assistance in the daily activities of the House of Representatives. We welcome any suggestions to improve the organization or expand the scope of the directory.

With kind regards,

Cordially,

Frank Thompson Jr.
